

The Venue

Istanbul Marriott Hotel Pendik

Conveniently located right on the E-5 highway, the hotel offers easy access to key routes including the O-7 and TEM motorways. It's just a 20-minute drive from Sabiha Gökçen Airport and close to major industrial hubs like Tuzla, Gebze, Dilovası, and GOSB (Gebze Organized Industrial Zone).

Guests can reach the venue easily via public transport, with Tavşantepe Metro Station within walking distance and ferry terminals (İDO Pendik) nearby. Marmaray connections and multiple highway options make travel simple. Ample on-site parking is available for those arriving by car.

Istanbul Marriott Hotel Pendik

Camcesme Mah., Tefik İleri Cad. No 209,
34899, Istanbul

FOSECO FERROUS FOUNDRY DAYS 2025

INNOVATION. SUSTAINABILITY. PARTNERSHIP.

In Partnership With
TUDOKSAD and MAGMA

Agenda

Tuesday, 24.06.2025

- 08:30 Welcome - Registration & Morning Refreshments**
Karşılama - Kayıt – Atıştırmalık Kahvaltı
- 09:40 Welcome Presentations**
Açılış Konuşmaları
Dr. Uğur Gürol & Seyfi Değirmenci
- 10:00 Foseco's Vision for Making Turkey the Foundry Hub of Worlds**
FOSECO'nun Vizyonu: Döküm Dünyasının Merkezi Türkiye
Ziya Tanyeli
- 10:20 Turkish Foundry Market: Current Status & Trends**
Türk Döküm Sektörü: Mevcut Durum ve Eğilimler
Tuncag Cihangir Şen (TUDOKSAD)
- 10:40 Sectoral Policies and the New Domestic Goods Communiqué**
Sektörel Politikalar ve Yeni Yerli Malı Tebliği
Ahmet Türkaslan
- 11:00 Coffee Break** — Kahve Arası
- 11:20 Feeding Systems in Iron Foundries: Common Defects and Best Practices**
Demir Dökümhanelerinde Besleyici Sistemleri: Yaygın Hatalar ve En İyi Uygulamalar
Christof Volks
- 12:00 Smart Coating Selection for Iron & Steel Foundries: Cost, Quality, and Efficiency**
Demir ve Çelik Dökümhaneleri İçin Ideal Boya Seçimi: Maliyet, Kalite ve Verimlilik
Roman Romelczyk
- 12:40 Lunch** — Öğlen Yemeği
- 13:40 Rotary treatment of molten steel in the pouring ladle**
Döküm potasında sıvı çeliğin döner gaz sistemi ile arıtılması
David Hrabina
- 14:20 Enhancing Cast Iron Quality via Thermal Analysis and Process Control: Lessons from Industrial Practice**
Termal Analiz ve Proses Kontrolü ile Dökme Demir Kalitesinin İyileştirilmesi: Endüstriyel Uygulamalardan Örnekler
Joao Teixeira
- 15:00 Coffee Break** — Kahve Arası
- 15:20 Multi-Use Stopper & Nozzle Solutions for Bottom-Pour Ladles in Steel Foundries**
Çelik Dökümhanelerinde Dipten Akıtmalı Döküm Potaları İçin Çok Kullanımlı Stopper ve Nozul Sistemleri
Jerome Devrin

- 16:00 Meeting Modern Foundry Challenges: From Innovation to Economic Value**
Modern Dökümhane Zorluklarıyla Yüzleşmek: İnovasyondan Ekonomik Değere
Oleg Bylinowski
- 16:40 Closure** — Kapanış
Dr. Uğur Gürol
- 18:30 Dinner at Hotel**
Otelde Akşam Yemeği
İstanbul Marriott Hotel, Pendik

Wednesday, 25.06.2025

- 08:30 Welcome - Registration & Morning Refreshments**
Karşılama - Kayıt – Atıştırmalık Kahvaltı
- 09:40 Welcome Presentation**
Açılış Konuşmaları
Dr. Uğur Gürol & Seyfi Değirmenci
- 10:00 Molten Steel Shielding From Reoxidation and Air Entrainment During Pouring**
Döküm Esnasında Yeniden Oksitlenme ve Hava Sürüklenmesine Karşı Sıvı Çeliğin Korunması
David Hrabina
- 10:40 Refractory Coatings in Iron & Steel Foundries: Common Defects and Best Practices**
Demir ve Çelik Dökümhanelerinde Refrakter Boyalar: Yaygın Hatalar ve En İyi Uygulamalar
Roman Romelczyk
- 11:20 Coffee Break** — Kahve Arası
- 11:40 Evolution of Feeding Systems Solutions**
Besleyici Sistemlerinin Teknolojik Evrimi
Christof Volks
- 12:20 Filtration and Gating Systems for Reliable and Defect-Free Steel Castings**
Hatasız ve Yüksek Kaliteli Çelik Dökümler İçin Filtrasyon ve Yolluk Sistemleri
Emiel Speets
- 13:00 Lunch** — Öğlen Yemeği
- 14:00 Phenolic Urethane Cold Box (PUCB) for Ferrous Castings**
Demir Esaslı Dökümler İçin Fenolik Üretan Soğuk Maça (PUCB) Sistemleri
Ayax Rangel
- 14:40 Phenol Alkaline Technology and Sand Reclamation**
Alkali Fenolik Reçine Teknolojisi ve Kumun Geri Kazanımı
Ayax Rangel

- 15:20 Coffee Break** — Kahve Arası
- 15:40 Cost Management with MAGMAEconomics**
MAGMAEconomics ile Maliyet Yönetim
Mathias Bodenburg, MAGMA
- 16:20 Optimizing Inoculation Practices in Cast Iron: From Alloy Selection to Melt Shop Execution**
Dökme Demirde Aşılama Optimizasyonu:
Alaşım Seçiminden Dökümhane Uygulamasına
Joao Teixeira
- 17:00 Closure** — Kapanış
Dr. Uğur Gürol

Registration Details

To complete your registration, please scan the QR code and fill out the form providing:

- Full Name
- Company Name
- Corporate Email Address
- Mobile Phone Number
- Dinner Participation Status

REGISTER
KAYIT İÇİN

<https://forms.gle/GXRUKC1JehgKhLca8>

Important

Limited seats available – Early registration is strongly recommended.
Deadline: June 14, 2025

Once your application is reviewed, you'll receive a confirmation email.

Presentations will be delivered in English, with slides available in Turkish.

Participation is free of charge. Special hotel rates are available for registered participants

If you'd like to discuss your specific technical case with one of our experts, please contact your regional sales engineer and book a slot for the "Ask the Expert" session.

We look forward to welcoming you at the seminar!
